

YELLOWHEAD
TRIBAL
COLLEGE

February 5, 2026

Dear Students,

Welcome to the Winter 2026 term at Yellowhead Tribal College! Whether you are beginning your journey with us or returning for another term, I extend my warmest greetings and best wishes for a successful, engaging, and fulfilling academic experience.

As we embark on this new chapter, I would like to remind everyone of the college's policy regarding class attendance. In accordance with college guidelines only the following students are permitted to attend class online:

- Students who **live 100 kilometers or more from campus, or**
- Students who have received **formal approval based on documented health accommodations.**

All other students are expected to attend classes in person on campus, as we continue to prioritize a vibrant, interactive, and community-driven learning environment.

For those attending online with proper approval, please ensure that your **camera remains on for the full duration** of each class. This requirement is in place to support active participation and engagement in the virtual classroom setting.

This reminder does not affect students enrolled in fully online classes.

Once again, welcome to YTC. We are excited to support your growth and achievements in the year ahead.

Warm regards,

Randy Ermineskin, President
Yellowhead Tribal College
