

GRADUATION UPDATE, FALL 2020

In respect of the evolving situation with COVID-19, the College has chosen to change the format of the fall 2020 graduation ceremony for our students. The previous plan to host a social-distance stage meant an increase in the possibility of transmission.

The new decision is to host our graduation ceremony in an online presentation that will be streamed live on **October 23rd, 2020 at 10:00am**. The faculty, leaders, and staff recognize how important and meaningful it is to recognize your accomplishments so we will be offering a combination of the live online ceremony and graduation packages.

Students who are graduating will still need to apply for graduation by completing the following online form: <https://forms.gle/LKdcEupJsq5APw9i7>. Those who qualify to meet the requirements of their program to graduate will be notified by a formal letter by email, and mail.

The graduation packages contain such items as your cap, tassel, parchment, alumni pin and a graduation gift. Beginning October 26th, 2020 at 1pm, graduates can make arrangements to pick up their graduation packages by calling our receptionist Natasha Alexis at 780-484-0303, or emailing her at natasha.alexis@ytced.ca.

Students are encouraged to don their caps with the 2020 tassel charm, snap a photo of themselves, and post it on social media using the hashtag #ytcedgraduate2020.

We look forward to planning our online version of graduation this year as well as creating our graduation packages for our graduates.
